

ICS Forms

The ICS uses a series of standard forms and supporting documents that convey directions for the accomplishment of the objectives and distributing information. Listed below are the standard ICS form titles and descriptions of each form:

| Standard Form Title | Description |
|--------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Incident Action Plan Cover Page ICS 200 | Indicates the incident name, plan operational period, date prepared, approvals, and attachments (resources, organization, Communications Plan, Medical Plan, and other appropriate information). |
| Incident Briefing ICS 201 | Provides the Incident Command/Unified Command and General Staffs with basic information regarding the incident situation and the resources allocated to the incident. This form also serves as a permanent record of the initial response to the incident. |
| Incident Objectives ICS 202 | Describes the basic strategy and objectives for use during each operational period. |
| Organization Assignment List ICS 203 | Provides information on the response organization and personnel staffing. |
| Field Assignment ICS 204 | Used to inform personnel of assignments. After Incident Command/Unified Command approve the objectives, staff members receive the assignment information contained in this form. |
| Incident Communications Plan ICS 205 | Provides, in one location, information on the assignments for all communications equipment for each operational period. The plan is a summary of information. Information from the Incident Communications Plan on frequency assignments can be placed on the appropriate Assignment form (ICS Form 204). |
| Medical Plan ICS 206 | Provides information on incident medical aid stations, transportation services, hospitals, and medical emergency procedures. |
| Incident Status Summary ICS 209 | Summarizes incident information for staff members and external parties, and provides information to the Public Information Officer for preparation of media releases. |
| Check-In/Out List ICS 211 | Used to check in personnel and equipment arriving at or departing from the incident. Check-in/out consists of reporting specific information that is recorded on the form. |
| General Message ICS 213 | Used by: <ul style="list-style-type: none"> ▪ Incident dispatchers to record incoming messages that cannot be orally transmitted to the intended recipients. ▪ EOC and other incident personnel to transmit messages via radio or telephone to the addressee. ▪ Incident personnel to send any message or notification that requires hard-copy delivery to other incident personnel. |

ICS Forms (Continued)

| Standard Form Title | Description |
|--------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Log ICS 214 | Provides a record of unit activities. Unit Logs can provide a basic reference from which to extract information for inclusion in any after-action report. |
| Operational Planning Worksheet ICS 215 | Documents decisions made concerning resource needs for the next operational period. The Planning Section uses this Worksheet to complete Assignment Lists, and the Logistics Section uses it for ordering resources for the incident. This form may be used as a source document for updating resource information on other ICS forms such as the ICS 209. |
| Incident Action Plan Safety Analysis ICS 215A | Communicates to the Operations and Planning Section Chiefs safety and health issues identified by the Safety Officer. |
| Air Operations Summary ICS 220 | Provides information on air operations including the number, type, location, and specific assignments of helicopters and fixed-wing aircraft. |
| General Plan ICS 226 | Addresses long-term objectives approved by Incident Command/ Unified Command. These objectives are often expressed as milestones (i.e., timeframes for the completion of all and/or portions of incident response operations). A General Plan should identify the major tasks to be carried out through to the end of emergency response operations, the duration of the tasks, and the major equipment and personnel resources needed to accomplish the tasks within the specified duration. |
